📘 External Creator Handbook

Reltroner Studio – Asthortera Universe Access Guide

Welcome to the gateway of **Reltroner Studio** — where storytelling transcends fiction and becomes a blueprint for meaning, resistance, and consciousness. This handbook is designed to onboard external creators who wish to contribute within the **Asthortera universe** while respecting the sacred balance of **Nytherion Abyss** and **Astralis Pinnacle**.

🔑 1. Access Philosophy

External creation is allowed under strict alignment with:

- **Asthortera-only world setting** (no real-world or unrelated fictional use)
- **Nytherion–Astralis philosophy**
- **Integrity of canon and tone**

"Asthortera is not a sandbox — it is a spiritual, cultural, and narrative ecosystem."

📋 2. Certification Steps

🧩 Step 1: Application

- 1-page pitch: premise, setting, relevance to Abyss or Astralis
- Statement of why Asthortera is essential to your story

🧠 Step 2: Canon Review

- Conducted by Lore Architect / Canon Council
- Evaluation of philosophical clarity and lore compatibility

✍️ Step 3: Creative Trial *(if requested)*

- Submit:
    - Short prose (max 1000 words) or
    - Visual sample (1–3 panels, character or sigil)

- Include personal reflection on Red Pill philosophy

☑ Step 4: Access Granted

- Tiered access to worldbuilding resources
- Work labeled as "Certified Reltroner Story (CRS)"
- 6–12 months valid, renewable

🛡 Step 5: Final Audit

- Post-creation review
- Canon classification: A-Class, B-Class, C-Class, or Non-Canon

---

🧭 3. Canon Class Overview

Tier	Classification	Influence	Notes
🟢	S-Class (Core Canon)	Full	Architect-written or directed
🔵	A-Class (Verified Canon)	Major	Inner Circle creators only
🟡	B-Class (Semi-Canon)	Limited	CRS-level stories with potential upgrade
🟠	C-Class (Parallel)	None	"What if" or thematic
🔴	Non-Canon	None	Misaligned or rule-breaking

❗ All works must state their Canon Tier visibly.

🔐 4. Boundaries & Restrictions

- ✖ No use of Asthortera symbols, rituals, or names (e.g. "Nytherion Abyss", "Astralis Pinnacle") in non-Asthroteran settings
- ✖ No transformation of mythos into real-world commentary, parody, or political metaphor
- ✖ No unauthorized merchandise, NFT, or commodified reuse

Violation = **license revocation + IP infringement process**.

📫 5. Contact & Submission

- All applications go to: [collab@reltroner.com] (coming soon)
- Allow 7–14 days for review
- Emergency questions: contact Lore Verification Officer via internal channel (if granted)

✦ Closing Words

We believe in creators who fight illusion with clarity, and fiction with purpose. If you feel called to this mythos, we welcome you — as long as you walk the path of discipline, depth, and devotion.

Let Astralis light the unknown.
